I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

Comments: Many of my patients are sensitive to
excipients in standard formulations. I rely
on specialist compounding pharmacies. If Not
having this available would severely impact
my patients.
